

Wellbeing Centre Price List

Locations: HOPWA House, Inskip Drive, Hornchurch, Essex, RM11 3UR
Painesbrook Court, Painesbrook Way, Harold Hill, Essex, RM3 9JN

We pride ourselves on providing person centred care at our Wellbeing Centres to help our clients maintain their independence for longer. Our food services team are dedicated to preparing and serving fresh food daily to give clients a nutritious hot meal that meets all of their dietary requirements. We also provide an escorted transport service for clients with a higher care need with specially adapted minibuses for comfort and safety.

Due to our person centred approach, all clients will require a care needs assessment. The assessment is a face-to-face meeting that allows us to capture information to fully understand and meet our client's individual care needs.

Please take a look at our Band 1, 2 and 3 criteria and then contact one of our care coordinators today to book an assessment on 01708 896 600.
