

## Live Well Empowerment Service

Local support to help people live well, stay independent and connected

Live Well is a free, community-based service for Havering residents aged 18+. It offers early help and practical support before problems become a crisis. The service is delivered by Tapestry Care UK through community hubs in Rainham, Harold Hill and Hornchurch.

### **Who is it for?**

People who may need a bit of extra support with loneliness, mental wellbeing, long-term health conditions, caring responsibilities, money or food worries, or staying connected to their community.

### **How Live Well helps**

- One clear referral route into support
- Friendly, strengths-based conversations
- Joined-up help from local voluntary and community organisations
- Support rooted in trusted community hubs

### **What to expect**

After getting in touch, a member of the Live Well team will contact you for a friendly conversation. Together, you'll agree what support might help and how to access it. Support can be by phone or face-to-face at a local hub.
